

Vote Rebuild 695

End the “Gene Gowey Days”

**It's been a year since Gowey left, but nothing is different.
It's time for change. We need our union to act like a union!
This fall, vote Rebuild 695 for new leadership and a new direction.**

Gowey's Way

-  No meetings, no website, no communication with our union.
-  Contract negotiations are still a secret – get ready to pay for health insurance.
-  Medical exam without a vote from Teamster members.
-  **DICTATORSHIP.** When is the last time we elected our leadership?

Rebuild 695 Way

-  Communication about what's happening in our union.
-  Working Teamsters running the union instead of business agents.
-  Regular steward elections.
-  A union that fights for its members!
-  **DEMOCRACY** for a voice in our union!
